

**CALIFORNIA BUILDING CODE (CBC) 1998 SECTION 422A [FOR OSHPD 3] – CLINICS**

**Scope.** The provisions of this chapter shall apply to primary-care clinics, specialty clinics and psychology clinics. Primary-care clinics include free clinics, community clinics, employee clinics and optometric clinics. Specialty clinics include surgical clinics, chronic end-stage renal dialysis clinics and rehabilitation clinics. **(422A.1)**

**Application.** All new buildings and additions, alterations or repairs to existing buildings subject to licensure shall comply with applicable provisions of the California Electrical Code, California Mechanical Code, California Plumbing Code (parts 3, 4 and 5 of Title 24) and Building Code. **(422A.2)**

The following items are CPC requirements for the State Licensed Medical Clinics (OSHPD-3). Please read all provisions of the California Plumbing Code which apply to OSHPD 3 requirements for clinics prior to your plan submittal. To facilitate the recheck process, following each item describe in writing the corrective action taken. OSHPD 3 requirements are in addition to other CPC provisions.

Please indicate the following notes on the drawings:

.

G. 2. **Faucets for kitchen sinks and lavatories shall not be equipped with aerators.**

.

G.5. **Scrub sinks:** Fixtures shall not be equipped with aerators.
